MG Corporation seeks MG Directors

MG Corporation's Acting Chairperson Mr Teddy Carlton has urged more Miriuwung and Gajerrong (MG) people to consider taking on leadership roles within the organisation.

Mr Carlton said there were currently two vacancies for MG Directors on the Corporation's Board and appealed for MG people with aspirations of undertaking these roles to come forward.

"There's a lot of MG people out there who possess the required skills to help drive MG Corporation into the future," Mr Carlton said.

"Being an MG Director puts you in the engine room of the Corporation and you have a direct say on making sure the community's needs are being met through decisions that are made."

Mr Carlton said MG Corporation also had vacancies for MG Directors of the various Trusts it administers.

"Being a Director is a big responsibility but it is also very rewarding," he said.

"It is also a great way for MG people to build new skills and develop their leadership qualities while working to ensure the long-lasting success of the Corporation which manages their Native Title benefits."

Mr Carlton said MG people who are interested in taking a Director's role within MG Corporation should contact Kelly Edwards at the new office on Bluegrass Drive or phone 9166 4805 for further information.
